

Register for MyChart Online

Now it's even easier to sign up for MyChart without an activation code from your doctor's office. Follow the steps below to register your MyChart account online without a code.

1. Go to www.ketteringhealth.org/mychartsignup
2. Complete all required information in the MyChart account registration form
3. Once verified, you will be prompted to create a username and password to complete the activation process.
